

If contacts are looking for a church to visit and worship at.

Churches in Tampa Bay near the evangelism locations we are at:

Note: I'll list the churches that our team members attend. There are plenty of localized churches, but it is best to have team members interact and work with visitors who come from our work. Also, there are two people who are doing their own (gym) work, (in their local area) with their congregation, I have not added some details, as it relates to that.
